### DISCOVER THE GOLD COURSE

The Wigwam's Gold Course opened in 1965, six years after Firestone Country Club's famed South Course. Jones Sr. designed the Gold Course to be the West Coast rival of Firestone South. Rival or peer, the two courses share many traits in common – both courses measure more than 7,300+ yards from the tips, both include a series of long par-4's and epic par-5's, both feature small elevated greens and both courses have been recognized among Jones Sr.'s finest designs.
