**EMR – THE ELECTRIC MOTOR REPAIR COMPANY NAMES
ADDITIONAL DELAWARE VALLEY SERVICE MANAGER**

Announcing Dan Gaffney as Service Manager

New Castle, DE – March 30, 2023 – [Electric Motor Repair Company \(EMR\)](#), a leading provider of service, parts, and installation to the commercial kitchen and industrial motor sectors, announced today that Dan Gaffney has joined the EMR Delaware Valley branch as service manager. With over 40 years in the industry, Dan brings a wealth of knowledge and experience that will benefit the 25-person team in Delaware, which has a territory spanning DE, PA, and NJ. In his new role, Dan plans to help streamline service needs to customers and educate novice service technicians.

Prior to joining EMR, Dan was employed with Keystone Refrigeration, American Kitchen, Food Equipment Service (where he was a co-founding member) and Elmer Schultz. He currently holds an HVAC-R license, a universal EPA license, and is a CFESA Master Technician, along with various factory certifications for specific equipment and manufacturers EMR frequently services.

"I enjoy helping customers with their problems and making the chefs happy that their equipment is running correctly. A happy chef is a happy kitchen!"

Outside of EMR, you can find Dan spending time with his 6 grandkids, his wife, and two sons, one of which is a technician at the Delaware Valley branch. He also enjoys dining out, preferably with a water view.

Electric Motor Repair Company (EMR)

EMR is a leading provider of service, parts, and installation to the commercial kitchen, refrigeration, industrial motor, elevator and marine industries. Founded in 1927 in Baltimore, Maryland, EMR is a third-generation family-owned business that operates five locations to serve the mid-Atlantic region. For more information about EMR, visit www.emrco.com.
